AGREEMENT FOR CERTIFICATION SERVICES

Agreement between ASPL (herein referred as ASPL) and _____

INTRODUCTION

ASPL is a Private Limited Company, independent certification body for management systems certification. Although not a statement guaranteeing that the product or services actually meet specified requirements, accredited certification of a management system is a measure of compliance with the appropriate international standards.

1. SCOPE OF THE RULES OF REGISTRATION

These rules of registration are applicable to all management system audits (**ISO 9001, ISO14001, ISO 45001, ISO22000, FSSC22000,ISO13485 MD QMS,VVB ..**), and all other Management system.) undertaken by ASPL within the current scope of accreditation as detailed on the accreditation board web site(As updated status). In fulfilling this scope, the client agrees to supply all necessary information to ASPL so that a full and fair assessment can be undertaken.

ASPL assesses and certifies Client’s Management system according to the standard and scope applied by Client. The registration scope shall be limited to the product, services and other activities assessed actually. In these regards, the registration scope can be changed.

2. PERSONNEL

ASPL undertake to provide suitably qualified and competent personnel for all audit and surveillance activities using their own staff or suitable qualified and competent associates. All members of ASPL (full-time employees, associates or local representatives) are required to sign confidentiality agreements concerning all confidential information to which they may be exposed.

3. APPLICATION FOR REGISTRATION

On receiving a completed Application Form/Request for Quotation (**ISO9001, ISO14001,ISO 45001, ISO22000, ISO13485 MD QMS, FSSC 22000,VVB and all other Management system.**), ASPL or its local representative will prepare a quotation detailing audit cost which will be forwarded to the client along with a copy of this document. Acceptance of the quotation and *Certification Agreement and Rules* is shown by signing the Certification Rules and Agreement. On receipt of the signed Certification Rules and Agreement and acceptance of the quote, ASPL or its local representative will issue an invoice to the client who in turn will make payment to ASPL or its local representative. The audit will then be planned and carried out in accordance with ASPL accredited management system processes. The agreement complies with all the sites addressed in the Application Form.

For completing the assessment **Manday(s)** stage 1 and **Manday(s)** stage 2 will be allocated.

4. AUDIT METHOD

The first stage of the audit requires the Auditor to conduct an on-site readiness review of the client’s management system to assess the documentation and if the implementation of the management system is at a level sufficient to progress to the Stage two audit.

When satisfied with the compliance of the documentation and system readiness the Auditor will produce a report and will agree a date with the client for the Stage 2 audit. The Stage 2 audit will then be conducted in accordance with ASPL accredited management system processes. If further visits are required, due to non-compliances found, these will be undertaken and the client will be liable for any extra charges incurred. In case of any Major Non-Conformity recommendation for certification will be granted based on On-site Follow Up Audit. The audit will be carried out against agreed audit criteria. Once registration has been obtained the client will be under a duty to notify ASPL of any changes that significantly affect the registration. ASPL may re-audit if necessary (short notice) due to the significant changes or as a result of any complaint, or

follow up on suspended clients. If any additional charges are incurred ASPL reserve the right to pass these additional charges on to the client.

5. CERTIFICATION

On completion of the audit the Auditor will submit the report to the ASPL Quality Manger, who will do the administrative review of file, **as well as against Fit Proper Person test of auditor, Tech. expert, Franchisees and agents**, and present the file to ASPL's Certification Committee. The Certification Committee will make the certification decision and authorize the issue of the certificate after the Technical Review of the Client File. The certificate remains the property of ASPL and is valid for three years, providing the client maintains the management system to the required standard. All certification activities and the management of impartiality are overseen by an Independent Certification Board.

6. ANNUAL REGISTRATION AND SURVEILLANCE

After the issue of a certificate, planned surveillance visits will be carried out by an Auditor at the client's premises at least annually in order to maintain registration. If areas of concern are identified, more visits may be carried out at the discretion of the ASPL Management. The client agrees to meet the extra costs relating to any additional audits. A triennial re-certification audit is required to maintain registration.

The client will notify ASPL without delay of any matters incurred that may affect the capability of the management system to fulfill requirements such as:

- the legal, commercial, organizational status or ownership,
- organization and management (e.g. key managerial, decision-making or technical staff),
- contact address and sites,
- scope of operations under the certified management system, and
- major changes to the management system and processes.
- To inform the ASPL, without delay, of any significant events including, but not limited to fatal incidents, serious injuries, occupational disease or legal action by a regulatory authority.

7. EXTENSION OR REVISION TO THE SCOPE OF REGISTRATION

This may be applied for in the same way as the initial audit, indicating the increased scope/address change of registration required. The audit will be carried out in the areas not previously audited. If successful, a new certificate indicating the new scope/address change will be issued by ASPL. There will be a charge for extensions to scope/address change and the re-issuing of the certificate. Should a certified scope be reduced, the client will amend all advertising matter.

8. PUBLICITY

When a certificate has been issued, the client has the right to publish the fact. The relevant logos can be used on stationery relating only to the audited scope of registration and standard. Separate logo rules will be issued by ASPL at the time of registration.

Conforms to the requirements of the ASPL certification body when making reference to its certification status in communication media such as the internet, brochures or advertising, or other documents.

9. CERTIFICATE MISUSE/ MISLEADING

ASPL will take all necessary steps

- to ensure that there is no misuse of the logo or the certificate by the client. The client undertakes not to misuse or misrepresent the logo or the certificate in any way.
- To ensure that it does not mis represent reference to its management system certification to be used in such a way as to imply that the certification body certifies a product (including service) or process,
- To ensure it does not imply that the certification applies to activities that are outside the scope of certification, and
- To ensure that it does not use its certification in such a manner that would bring the certification body and/or certification system into disrepute and lose public trust.
- To ensure that it Does not give incorrect references to certification status or misleading use of certification documents, marks or audit reports. If found then the certification body can take action accordingly

10. FEES

All fees for audits and annual registration are reviewed annually and are available on request. All fees paid to ASPL are strictly non-refundable. Certification & Surveillance fees are payable in advance and are to maintain registration.

11. CERTIFICATE SUSPENSION OR WITHDRAWAL

Following a successful audit of a client's management system to the appropriate standards or specifications, the certificate: **may be suspended due to:**

- Continued misuse of logos
- Failure to apply corrective action as a result of discrepancies found at audit or surveillance visits.
- Any other breach of ASPL's Certification Agreement & Rules.
- Where there are multiple offices of a certification body or multiple sites of a client, Contract review will be as per ASPL-QP-03 (CONTRACT REVIEW AND AUDIT PROGRAMMING)
 - a) If during a surveillance or renewal audit on a particular site a non-conformity is detected, for which corrective action can only be verified on that site, an additional audit shall be carried out at charge of the organization
 - b) If during regular surveillance audits non-conformities indicate that the Management System is not implemented equally at the different sites, the maintenance program shall be adapted and additional audits shall be carried out at charge of the organization
 - c) During every surveillance audit, the auditor shall have the opportunity to verify internal audit reports and other essential Management records from all concerned sites.
 - d) If at the time of the decision-making process, any site has an open nonconformity, certification shall be denied to the whole network pending satisfactory corrective action.
- Non-Payment of Audit Fee as agreed

Or withdrawn due to:

- Failure to respond to requests made by ASPL after suspension of certificate
- Failure of a client to settle a financial account
- the client's request

Following either the suspension or withdrawal of a certificate the client will discontinue its use and return the original to ASPL and discontinue to claim accredited management system registration.

12. Confidentiality

The ASPL shall inform the client, in advance, of the information it intends to place in the public domain. All other information, except for information that is made publicly accessible by the client, shall be considered confidential.

Except as required in this part of as per requirement, information about a particular certified client or individual shall not be disclosed to a third party without the written consent of the certified client or individual concerned.

When the ASPL is required by law or authorized by contractual arrangements (such as with the accreditation body) to release confidential information, the client or individual concerned shall, unless prohibited by law, be notified of the information provided.

Information about the client from sources other than the client (e.g. complainant, regulators) shall be treated as confidential, consistent with the ASPL's policy.

13. APPEALS PROCEDURE

If for any reason a client disagrees with the Auditor's verdict, they are at liberty to lodge an appeal ASPL's Managing Director. All appeals will be held in the presence of an Independent Certification Board sub-committee. The sub-committee will hear evidence from the client's representative and the relevant Auditor. The decision of the Independent Certification Board is final and binding on both the client and ASPL. No counter claims will be allowed by either party. No costs, for whatever reason,
